

SENATOR MARVEL: Now you're speaking to these mimeographed amendments which we have before us. Senator Duis, do you wish to be recognized?

SENATOR DUIS: Yes, I do Mr. President on a point of order. Mr. Speaker.

SENATOR MARVEL: Senator Luedtke.

SENATOR DUIS: I am concerned here as to whether or not you have checked the full effect of the amendment which is before the body now as to whether or not it should be referred back to committee.

SPEAKER LUEDTKE: I certainly have not because I've never had it in my hand until a minute ago.

SENATOR DUIS: I think, if you don't mind as a point of order, I think we should allow enough time for the Speaker to see the amendment and find out whether it should be recommitted.

SPEAKER LUEDTKE: This as I understood it Senator, this was sent to us by Bill Peters as a procedure, is this correct, Senator Koch? I will ask for a response from Senator Reutzel.

SENATOR MARVEL: Senator Luedtke are you addressing your remarks to Senator Reutzel?

SPEAKER LUEDTKE: Whichever one wants to answer, but my understanding is that this was the procedure for collecting the tax which was not properly set forth in the bill or not adequately set forth in the bill.

SENATOR REUTZEL: That's right.

SENATOR MARVEL: Senator Duis, Senator Koch do you want to make a remark?

SENATOR KOCH: I would reply to Senator Duis. The matter was heard in committee Senator Duis. This is not an item that wasn't considered and wasn't heard. It was brought to our attention by Mr. Peters that what basically we're doing in the white copy is to simplify and clarify the matter of how the tax is collected and how it's brought about to this proper place which is the Game and Parks Commission. So we are not presenting on this floor that wasn't heard before the committee.

SENATOR MARVEL: Senator Duis, in speaking to your point of order, my information from the experts up here indicates that your point of order is not well taken at this time. If the amendment is adopted, then your point is in order.

SENATOR DUIS: Thank you very much. I know that rule, Mr. President, but I also thought probably that we could avoid that by having him take a peek at it at the present time and not have that procedure take place.

SENATOR MARVEL: If Senator Luedtke wishes the floor later, I will be glad to recognize him.

SENATOR KOCH: Mr. Speaker, may I clarify a matter before this body?
